

## **LETTER FOR THE COMMISSIONER'S CORNER**

Greetings,

I wanted to take a minute to thank all of you for being involved with ASA Softball, the best game in the great state of Alaska. Without all of you life would be quite different for all of us on the State Staff.

I would like to thank Roger Garcia, our State President and Valinda Taylor, our State Vice President for all they do in helping me by taking care of "softball business".

I would like to thank Kevin Smiley, our State JO Commissioner; Mike Graeber, our State UIC and Donnie Brooks, our State Player Representative for all they do for the softball players of Alaska. I will add that Donnie is now the NW Regional Player Rep for two year period, congratulations Donnie.

I am going on a two week vacation to Mexico with my wonderful wife and when I get back I will compose a letter to all the adult slow pitch teams about the changes the State Board made in regards to classification for 2008. In the meantime check out [alaskasoftball.com](http://alaskasoftball.com) for more information on this issue.

I wish you all a very happy holiday season, have fun and continue to be safe.

Rod Hill, Commissioner  
Alaska ASA Softball
